"Very professional company. Chris, Gavin, Kym and staff made my pool renovation a breeze. It was both on time and on budget. The ideas and planning they come up with and the finished product is just outstanding. I would highly recommend Pleasure Pools."

Robert Femia - West Lakes

"On behalf of myself and my family I would like to thank you for the enjoyment and 'pleasure' you have brought to us all with the addition of our new swimming pool. It was a major decision for us to purchase a pool and who to go to for help, but after requesting some recommendations from the Swimming Pool and Spa Association of South Australia, we decided to go with Pleasure Pools. We are very happy to say we definitely made the right decision. ... Suggesting and helping us with such things as positioning, shape and colours took a lot of worry and frustration away and we thank you very much for that."

Mark and Tracy Wormald - Hillbank

"Gavin, Chris and staff at Pleasure Pools were amazing! From our first home visit with Kym all the way through to the finished product...everyone was fantastic! Gav and Chris, so approachable, nothing was too much for them, answered all my questions and just great blokes! I would highly recommend Pleasure Pools"

Melanie Curry - Mile End

"We would like to thank you and your great team for doing a fantastic job on our new pool... we had a hassle free pool in 5 days from start to finish... if we had known it was going to be this simple we would have done it years ago. It was a pleasure doing business with you. Thank you. Bring on next summer."
